

Comenius Survey: Opening Doors to Lifelong Learning -

When I was young - Young people and leisure time in Europe

Dear parents,

This might look like time travelling for you. It might help us to figure out what it was like to be young a few decades ago and to realize to what extent things have changed. We would like you to answer the following questions carefully. Your contribution is very helpful and we would like to thank you in advance for your effort.

1. What was your favourite leisure activity? Please tick a maximum of three answers.

- A participating in sporting activities
- B listening to music
- C playing music
- D reading
- E watching television or videos / DVDs
- F going to the Disco / pub
- G going to the cinema
- H relaxing
- I working on the computer / internet
- J playing computer games / Playstation etc
- K crafts
- L with your girlfriend / boyfriend
- M hanging out with friends
- N participation in activities with clubs, church groups or other organisations
- O Other (please specify)

2. Were you a member of a club or other organisation and do you regularly participate in meetings? Please tick all appropriate responses.
